

How to have a photoshoot at Camp North End

Requests to use Camp North End as a film or photo location must be submitted to <https://camp.nc/events> at least 48 hours in advance.

Fees may be applied depending on the proposed footprint and use of the space. Approved permits can be picked up at our office Mon-Fri from 9am- 6pm.

Unapproved shoots will be asked to leave until they can return with a permit.

Your safety is important to us, and we don't allow:

- Weapons (real or fake)
- Depictions of violence
- Nudity
- Vehicles (moving or stationary)
- Illegal substances
- Noise or placement that disrupts tenants
- Climbing buildings/structures
- Smokebombs or fireworks

If we see any of this, you will be asked to leave.

Thanks for choosing Camp North End as your backdrop!
